

Privacy

We are committed to safeguarding your privacy online. This privacy statement discloses the privacy practices for this website and how the personal information of you as a user of this web-site is treated. It is based on the principle that you as a user will have as much control as possible over your privacy and that we will not offer to any third party any personal information which identifies individual users of this web-site, without prior consent of the concerning user.

Process of personal data

You can visit our web-site without telling us who you are or revealing any (personal) information regarding your selves. However in order to be able to provide our products and services, we need to process certain personal data such as your name, address, email address, telephone number, travel preferences, and possibly information required for payment.

For what purposes do we collect and subsequently process your data?

We try to co-ordinate our services and products as closely as possible to the wishes of our customers. To accomplish this, we ask you about what your wishes are. This information together with certain basic contact information such as your name and email enables us to contact you at the correct address about the services, products, events and news available on or via our web-site and for which you have expressed interest. At any time, you may request that we correct your personal information or have the information removed from our database.

Links

This website contains links to other web-sites and/or resources maintained by others than us. We do not have any control over such sites and resources. Therefore this privacy statement only applies for the information collected by this web-site. For good order sake, please be aware that we are not responsible or liable for the privacy policy of these other web-sites and resources. We strongly suggest that you always read the applicable privacy statements before you give away any personally identifiable information.

Protection of Data

We are doing everything possible to safeguard your personal data from wrongful use. Only authorized personnel have access to your data. The storage and sending of your data over the Internet is safeguarded by means of up-to-date, commonly used technology.

Changes

This privacy statement is tailored to the usage of this web-site. Along with the adjustments and or changes made to this web-site, this privacy statement may alter accordingly. You should therefore periodically review this privacy statement. We will use the information in accordance with privacy policy under which the information was collected. However, if we decide to change the use of the personally identifiable information in a manner different from that stated at the time it was collected, we will notify the concerning users of this web-site by way of an email. The user will then have the choice to withhold their consent to the usage of their information in this different manner.
